PRESIDIO TRUST

Public Health Service Hospital Complex, The Presidio of San Francisco, California; Notice of Intent To Prepare a Supplemental Environmental Impact Statement

AGENCY: The Presidio Trust.

ACTION: Notice of intent to prepare a supplemental environmental impact statement for the proposed leasing and redevelopment or rehabilitation of approximately 412,000 square feet of building space located on the site of the Public Health Service Hospital (PHSH) Complex, The Presidio of San Francisco (Presidio).

Description of Proposed Action and Alternatives

The Presidio Trust (Trust) will prepare a supplemental environmental impact statement (EIS) for the redevelopment of the site of the former PHSH Complex, located near the 15th Avenue entrance in the southern area of the Presidio. The site encompasses approximately 36 acres and approximately 412,000 square feet of building space within 17 existing structures. The largest structure is the former PHSH, totalling approximately 314,000 square feet. The supplemental

EIS will tier from the 1994 Presidio General Management Plan Amendment (GMPA) final EIS pursuant to 40 CFR 1508.28. The GMPA EIS analyzed alternative development concepts for the future of the Presidio, including a specific proposal for the PHSH Complex. Because the proposed development within the PHSH Complex would involve rehabilitation of historic buildings or development of new replacement construction and potential uses that were not previously examined in the GMPA EIS, the Trust has concluded that additional analysis is appropriate and will further the purposes of the National Environmental Policy Act of 1969. Alternatives currently being considered for the site include residential/educational conference facilities, various senior housing concepts, health care and medical research. These alternatives arose in part based on feedback received during public meetings and proposals received by the Trust in response to its Request for Qualifications for use of the site. The Trust will identify a preferred alternative following its review of the draft supplemental EIS and other information.

Public Comment

The Trust is inviting the public to participate in two public workshops to comment on the range of alternatives and the specific impacts to be evaluated in the supplemental EIS. The public workshops will be held on July 14, 1999 and July 21, 1999, from 6:00 to 9:00 p.m., at the Presidio Golden Gate Club, Fisher Loop, the Presidio, California. Notice of the workshops is being given in a timely manner through this announcement, announcements in the Trust's monthly newsletter and other local media, direct mailing to nearby property owners, posting on the Trust's website (www.presidiotrust.gov) and other means. Written comments concerning this notice must be sent to John Pelka, NEPA Compliance Coordinator, the Presidio Trust, 34 Graham Street, P.O. Box 29052, San Francisco, CA 94129-0052. Fax: 415-561-5315. SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and, Information Service, Washington, D.C. 20549-0007

Extension:

Rule 17f-4 [17 CFR 270.17f-4] SEC File No. 270-232 OMB Control No. 3235-025

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension and approval of the collection of information described below.

Section 17(f)¹ of the Investment Company Act of 1940² (the "Act") permits registered management investment companies ("funds") and their custodians to maintain fund assets in a system for the central handling of securities, subject to Commission rules. Rule 17f-4³ under the Act defines this type of system as a "securities depository." The rule sets conditions for the use of certain depositories, including U.S.-registered clearing agency that acts as a depository, and the federal book-entry system for government securities.⁴

Certain information collection requirements apply to the fund's custodian when, as in the usual case, a fund uses a depository through its custodian. Rule 17f-4 requires the custodian to send the fund a written confirmation of each transfer of securities to or from the fund's account with the custodian. When securities are transferred to the fund's account, the custodian also must identify as belonging to the fund (or "earmark") an appropriate quantity of securities that the custodian holds in a fungible bulk with the depository (or with any agent through which the custodian uses the depository). In addition, the custodian or its agent must send the fund reports it receives concerning the depository's internal accounting controls, and reports on the custodian's or agent's own controls as the fund may reasonably request.

² 15 U.S.C. 80a.

³ 17 CFR 270.17f-4.

⁴ Rule 17f-4 does not regulate the use of foreign securities depositories. Funds that maintain securities in foreign depositories must comply with rule 17f-5 under the Act [17 CFR 270.17f-5].
